

trg tech faculty lunch series

The Faculty Lunch Series of interactive sessions is organised to allow informal dialogue between university faculty and **trg tech** leadership. These sessions are a unique opportunity for professionals from different fields to work together and help students successfully enter the tech industry.

trg tech: playing mind games
(of the intelligent kind)

enclosed

- The University may introduce interested/relevant faculty members to **trg tech**.
- **trg tech** will send regular invitations for informal events where various faculties and **trg tech** leadership can meet and share ideas.
- Poster announcing Faculty Lunch Series.
